 HESTAN

Helen + Stanley = Hestan

Hestan’s founder, Stanley Cheng, would state with a mischievous twinkle in his eye anytime someone asked him about the meaning behind the Hestan name.

Helen before Stanley– Hestan.

And that spirit of selflessness, of putting others before oneself, pulses strong at the heart of Hestan. The mindset behind each carefully crafted product is always with a user-first mentality. We want to solve the problems of the professional and at-home chef, and we know we have the unparalleled ability to forge the best tools possible.
